Sir,

In forwarding in original the accompanying letter No. 66 dated 1-7-03, with one enclosure from the Acting Government Oculist and Memo No.15 dated 3-7-03 from the Surgeon in charge, Victoria Hospital Bangalore, I have the honor to remark that it seems to me to be the duty of the Municipality to remove the night soil &c., from the Victoria Hospital, Eye Infirmary,Maternity Hospital,Lunatic and Leper Asylums and all public Institutions free of cost. At any rate in Madras,this duty so far as the General Hospital was concerned was always carried out. I accordingly bring the matter to the notice of Government for such orders as it may be pleased to pass on the subject.Pending orders the Superintendent of the Hospital will of course have to pay the demand.

I have the honor to be,
Sir,
Your most obedient servant,

Sir,

I have the honor to forward herewith notice No. 17 of 29.6.03 received from the Bangalore Municipality for your kind information. Up to date the rubbish from the Compound of the Institution was being removed once a day by the Municipal agency. It seems strange that the Municipality should try to levy cess from a public charitable institution like the Eye Infirmary whereas they pay the Contribution towards the maintenance of a number

MGCPB—3-5-01—50 reams.

of number of Municipal Dispensaries.

I beg to request therefore that the Senior Surgeon will kindly move the Municipality to forgo the cess and clean the premises as usual. If it is not possible to do so, I beg to request permission for the refuse to be thrown out into the ditch bind outside the premises and for the excreta to be carried into the adjoining gardens by the Hospital Shoti.

I have the honor to remain
Sir
Your most obdt. Servant.

Read :-

Letter no. G. 12 dated the 10th July 1903 from the Senior Surgeon and Sanitary Commissioner with the Govt of Mysore, submitting copies of the notices served by the Bangalore City Municipality on the Public Institutions of the Eye Infirmary, and Victoria Hospital intimating that if the said Institutions should be conserved as heretofore by the Municipal Council, the actual cost incurred by them on that account should be permitted to be included in the annual Conservancy cess demanded from these Institutions, and stating that it seems to him to be the duty of the Municipality to remove the night-soil as from the Public Institutions free of cost and that at any rate

Order:

~~in Madras~~, this duty, so far
as the General Hospital, was in Madras
concerned was always carried
out, and requesting orders
in the matter.

Order thereon by R 684-6 & 7/8/03

Government observe that
it is nothing but fair to
~~that~~ the Municipality, that
such public buildings as
do not pay a Scavenging
Cess should be required to
pay the actual cost in-
curred by that body in
conserving them, such cost
being debited to Contingencies
